WIL CROSSES RUSTY HANGING BRIDGE IN CDO

Content creator Wil Dasovich joined locals in crossing the “Flapi Bridge,” a rusty and dilapidated bridge in Cagayan De Oro.

Dasovich described the bridge as one that swayed noticeably from side to side as he made his way across. He capped the experience by jumping into the river below. (Instagram/Wil Dasovich)

Natukoy na ng pulisya ang tatlong kabataan, kabilang ang isang menor de edad, na umano'y sangkot sa pananakit sa isang kuting sa Barangay Mamatid matapos kumalat ang video ng insidente sa social media.

Sa naturang video, umano'y makikitang sinilaban at tinadyakan ang kuting. Agad na nagsagawa ng imbestigasyon ang pulisya matapos makatanggap ng mga ulat mula sa concerned citizens.

Nakatakdang sampahan ng kaukulang reklamo ang mga suspek dahil sa umano'y paglabag sa Animal Welfare Act. Samantala, tatlong kuting ang naisalba at kasalukuyang nasa ligtas na pangangalaga at tumatanggap ng kinakailangang atensyong medikal.

LPA PATULOY NA MAGPAPALAKAS SA HABAGAT; MATAAS ANG PANGANIB NG MALAKAS NA PAG-ULAN

Patuloy na binabantayan ang Low Pressure Area (LPA) sa silangan ng Northern Luzon, na inaasahang magpapalakas sa Habagat hanggang Linggo o Lunes. May posibilidad din itong maging ganap na bagyo sa loob ng susunod na 48 oras. Kung mananatili itong nasa loob ng Philippine Area of Responsibility (PAR) at lalakas bilang bagyo, tatawagin ito ng PAGASA na **#PilandokPH**.

🔷 Posibleng Epekto

Dahil sa pinagsamang epekto ng LPA at enhanced Habagat, mataas ang posibilidad ng malakas hanggang matinding pag-ulan ngayong gabi hanggang Sabado ng umaga, lalo na sa kanlurang bahagi ng Luzon at iba pang lugar na direktang naaapektuhan ng southwest monsoon flow.

Posible ang flash floods, localized flooding, pag-apaw ng mga ilog at sapa, at landslides, lalo na sa mga lugar na nakaranas na ng sunod-sunod na pag-ulan at nananatiling saturated ang lupa.

Kung mid-2000s ka lumaki, alam mo ang ranking na 'to! 😎

Pero kahit anong brand pa 'yan, iba talaga ang saya ng cellphone noong mid-2000s. Walang social media, walang endless notifications textmate, missed call, ringtone at load lang sapat na. 🥹

EDSA Guadalupe: Then and Now

EDSA has witnessed every phase of our history, and the Guadalupe section stands out as one of its most transformed stretches.

Looking back at the photo from the 1990s, you can see wide, open lanes, the historic MAKATI boundary arch topped with its iconic eagle statue, and recognizable roadside landmarks like the Glasurit and Uni-Charm billboards.

Today, with the march of modernization, the boundary arch and the eagle monument are long gone. They have been replaced by towering flyovers, the intricate infrastructure of MRT-3, and the relentless flow of traffic that defines the fast-paced life of modern Metro Manila.

Nepal’s deadly flash floods were not triggered by a 4.4-magnitude earthquake, as initially reported. The US Geological Survey says the seismic activity was instead caused by a glacial collapse and debris flow, which led to catastrophic impacts downstream.
Satellite analysis by Nepali and international scientists also points to an ice-rock avalanche as the trigger. Experts say the event highlights the growing risks posed by unstable glaciers in the Himalayas, though it is too early to determine the specific role of climate change in this disaster.

₱3.5-MILLION ELECTRIC MINI SWEEPER TRUCK TO HELP KEEP ILOILO CITY CLEAN

A new ₱3.5-million electric mini sweeper truck will soon be deployed to help clean Iloilo City’s public spaces.

City General Services Office head Engr. Neil Ravena said the unit will be used along the Iloilo River Esplanade, Sunset Boulevard, and public plazas, where larger sweepers have limited access.

The mini sweeper can collect up to 1.6 tons of waste and was funded through the city’s share of the one-centavo-per-kilowatt-hour contribution from the local power generator.

‘I’M STEPPING AWAY FROM EVERYTHING EFFECTIVE OCTOBER 31’

Aktor na si Paulo Avelino, nag-share sa Instagram ng isang funny message para sa kanyang mga fans.

“After a lot of prayer and some hard conversations at home, I’m stepping away from everything effective October 31. The movies, the teleserye, all my endorsements. Everything,” saad ng aktor sa kanyang post.

“GTA 6 is out November 19. PoE hits 1.0 on December 11, and they finally added swords. I watched the Extended Look last night and I have not been okay since,” wika pa ni Paulo.

“To my legal counsel, please tell everyone lining up to sue me that I’m available March 2027. I’ll have 100% GTA completion and a build nobody can touch by then. Sue me at my peak. Wag niyo ako i-tag sa clips. Babalik din ako. Basta. God bless po,” pabirong saad pa ni Paulo.

Nakatakdang i-release ang “Grand Theft Auto 6” sa November 19, 2026, batay sa anunsiyo ng Rockstar Games.

There was a time when Filipino pocketbooks were more than just books, they were a familiar part of everyday reading for many Filipinos.

Among the names that became closely associated with Tagalog romance pocketbooks were **Helen Meriz**, **Gilda Olvidado**, **and Martha Cecilia**. Their names became familiar to generations of readers who enjoyed Filipino romance stories, particularly during the years when pocketbooks were a major part of popular reading culture.

For many readers, seeing one of these names on a cover already carried a sense of familiarity. Their stories became part of a time when a small pocketbook could provide hours of entertainment, whether read at home, during a long trip, or simply whenever there was free time.

Pocketbooks were also part of a much simpler reading experience. There were no smartphones or digital reading apps to instantly access stories. A book could be bought, borrowed, exchanged with friends, or kept in a personal collection. The experience was as much about the story as it was about the simple habit of sitting down and turning one page after another.

The three writers also made their mark beyond the pages of pocketbooks.

2026-08-28 12:57:37

The three writers also made their mark beyond the pages of pocketbooks.

Gilda Olvidado wrote Tagalog romance paperbacks for several pocketbook lines, including Valentine Romances, Twin Hearts, and Gemini, and later published her own line of Tagalog pocketbook novels. Her writing career also extended into film and television, with several of her works reaching the screen.

Martha Cecilia became one of the prominent romance writers associated with Precious Hearts Romances. She is particularly remembered for her **Kristine** series, which ran for 54 books and was later adapted into the television series Kristine. Other works of hers were also adapted for television.

Helen Meriz was also among the writers associated with the early Tagalog pocketbook era. Her work in Philippine comics included stories that later reached the big screen, including Una Kang Naging Akin in 1991, based on a comics serial she created and wrote.

Looking back, what makes these names memorable is not simply the number of stories they produced, but the reading culture that surrounded their work.

Before everything became digital, a pocketbook could be enough to transport a reader into another world. It could become a favorite story, something passed from one person to another, or a book kept on a shelf for years.

Helen Meriz, **Gilda Olvidado**, **and Martha Cecilia** were more than names printed on the covers of romance novels. In their own ways, they became part of the history of Filipino popular reading and the pocketbook culture remembered by many readers today.

It was a different time, simpler, slower, and filled with stories that people could hold in their hands.

And sometimes, seeing those familiar names again is enough to bring back a little piece of that era.

Ay kasi magmula nang magkaPinas at magkadaigdig, madali tayong gipitin't sipsipin ng mga digmaan't kung anu-ano pa kaya tsitsirya at buhay sa kawalan ang nais, habol at kailangan ng Pinas sa lahat ng panahon't paraan.

Ay mas lalo ding madali maghangad ng gunaw ng daigdig. Dahil wala naman tayong mga Pinoy at mamamayan ng daigdig na mapapala saan at kailan man eh.

JCD PH krazy malala but state media hate post

pinaninindigan pa oh, dinamay ang RPN sa usaping Marcos eh kahit private company...

Alam mo sa totoo lang, masyadong misleading ang post ni JCD PH, napaka-krazy malala talaga eh. yung utak niya talaga nasa pre-privatization history pa.

paulit-ulit ko siya pina-fact check na ang RPN ay isa nang pribadong kumpanya. isinapribado ng gobyerno sa ilalim ng Aquino administration nung 2011 pero may naiwan pang 20% share para sa non-controlling stake dahil sa 80% ang majority share sa mga pribadong sektor kabilang ang ALC Group through Nine Media Corporation.

kaya pagsabihan mo yan na tanggapin niya ang katotohanan sa current state RPN bilang private company.

this is so funny tbh, like yeah, admit na kayo na ni-regret nyong botohin si BBM, tas ngaun sinasabe nyo Kakampinks and Leni are “siding” with him (when what Leni is doing is what every professional mayors would do, unlike Baste na thine-threat nya ang ulo, apaka unprofessional)

but what yall still dont realize is bumuboto parin kayo ng korap, not through presidency, but through the senate, like dont forget that yall voted for useless senators like Bato, Imee, Jinggoy, Marcoleta, the Villars, and especially ang pinaka 8080 sa lahat, si Robin. like yall are the reason he’s no. 1 in senate seat🤡🤡🤡

and i forgot to mention one more specific person, never forget that yall even voted for a literal FBI Wanted P€D0 and TR•FF•CK•R, that “son of god” Q••b•l•y, even reaching the 9TH SPOT OF SENATORIAL VOTES IN DAVAO CITY🤡💀

so dont act na para bang nagbago na kayo at di na kayo boboto ng korap this 2028, kase DI PAREN KAYO NAGBAGO! (especially na bobotohin nyo rin si Sara this 2028??? yeah di paren kayo nagbago LOL)

(also, still using ai to justify ur imagination??😂😂😂)

I think those national heroes whose aliases were referenced would be probably rolling in their graves after their nom de guerre were mentioned in the same context as the allegation of misuse of confidential funds.
Hindi po dapat yun ang analogy na gamitin natin. This is about auditing problem, this is about whether or not aliases are necessary in order to maintain confidentiality of a operation... not a test of anybody's patriotism

'HINDI AKO TITIGIL HANGGANG MAKULONG KAYONG LAHAT'

Nagbabala si Interior Sec. Jonvic Remulla na pananagutin at hahabulin ang mga tauhan ng Bureau of Fire Protection (BFP) na sangkot sa "slots for sale" scheme.

Ayon sa kalihim, nasa 200 tauhan na ng BFP ang iniimbestigahan sa ngayon.

Sa ilalim ng slot-selling scheme, pinagbabayad umano ang mga aplikante para makakuha ng slot sa BFP.

"Binabalaan ko na ang lahat ng opisyal ng BFP, lumabas na kayo ngayon at umamin kayo o hahabulin namin kayo hanggang matapos ang career niyo," saad ni Remulla.

HEARTBREAKING: The Trump administration has deported 5-year-old Liam Tadeo.

After ICE kidnapped Liam on his way to a soccer game with his dad in Texas, Liam spent days at Dilley Detention Center, which has become notorious for its abuse, neglect of detainees, and poor living conditions.

Despite DHS's claim that it would release children who are detained with their parents to a safe family member, ICE refused to release Liam to his mother and forced the young boy to spend the first day of school in a detention center.

Today, news broke that the Trump administration deported him.

Not a criminal. Not a dangerous person. A 5-year-old child.

This is a shameful stain on our nation.

pinilit pa eh! nakapa-bobo malala itong si JCD PH, kahit tanungin mo pa sa pangulo "NO means NO" talaga ang nagpatayo ng railway system sa Visayas at Mindanao sa dami ng dahilan:

Emelyn Alvarez Open-minded po ba ang tawag sa mga pulitikong bumoboto sa kuwestiyonableng budget at polisiya kahit may public protests at malinaw na legal, economic, scientific, at academic objections? At sila pa ang “makamasa”?
Samantalang si Prof. Cielo Magno, ipinaglaban ang Open Bicam para makita ng taumbayan kung paano ginagalaw ang budget; naging petitioner laban sa paglipat ng ₱89.9B PhilHealth funds; at sumama sa petition for certiorari and mandamus para obligahin ang Kongreso na tuparin ang constitutional mandate laban sa political dynasties.
So kung “close-minded” ang tawag sa taong ayaw pumayag na gawing sikreto ang budget, galawin ang pondong pangkalusugan, at gawing family business ang gobyerno, baka hindi si Cielo ang kailangang magbukas ng isip.
Baka definition natin ng “makamasa” ang kailangang i-audit.

History
In 1949, RCF's three founders conjured a bold vision based on technology that was considered niche at the time. The real breakthrough came in the '60s when concert sound began to transition from small acoustic setups to big spaces, requiring electric amplification for voices and other low-volume musical instruments. In-depth knowledge in transducers and electronics qualified RCF to develop complete audio systems, bringing the company to a leading position in multiple audio markets over the years, from OEM transducers to Hi-Fi, public address, portable speakers,

SOLEMNITY OF SAINT AUGUSTINE❤️💛

Today, August 28, the University of San Agustin joins the Church in celebrating the Solemnity of Saint Augustine of Hippo, our patron saint and a guiding light of our Augustinian community.🙏

May we continue to follow the example of Saint Augustine, Bishop and Doctor of the Church, in seeking truth, growing in wisdom, and living with hearts rooted in Unitas, Caritas, and Veritas.

May his life and teachings continue to inspire us to deepen our faith, seek wisdom, and serve others with love and compassion.

A Short Prayer to Saint Augustine

Saint Augustine, guide us in our search for truth and lead our hearts closer to God. Help us grow in faith, wisdom, and love, and inspire us to serve others with humility and compassion. May we faithfully live our Augustinian calling and become instruments of God's love. Amen.

SAINT AUGUSTINE, PRAY FOR US.🙏

‘MAAARING MAGBITIW… AT MAG-ACT NA LANG AS ISA SA SPOKESPERSONS’

May posibilidad umanong magbitiw ang ilang House prosecutors upang tumayo bilang spokesperson ng Prosekusyon, ayon kay House Prosecution spokesperson Rep. Zia Adiong.

Kasunod ito ng ruling na ibinaba ni Presiding Officer Chiz Escudero ukol sa pagsunod sa sub judice rule sa impeachment trial nitong Miyerkules, Aug. 26.

“Maaari rin po na magdagdag ng spokesperson. Pero definitely, ‘yung mga nagsasalita na po for the House Prosecution Panel, hindi po mababawasan. Rather may [possibility] na madadagdag,” sabi ni Adiong.

Alinsunod sa rules, 11 ang mga kongresistang miyembro ng Prosecution Panel. Pero paliwanag ni Adiong, hindi naman mahigpit kung magbago ang bilang ng prosecutors basta't hindi ito lalagpas sa 11. I via Marianne Enriquez

THE FIRST TV STATION IN THE PHILIPPINES
A SMALL BEGINNING. A BIG PART OF OUR HISTORY.
Before television became part of everyday Filipino life, one station opened a new era of broadcasting in the country.
DZAQ-TV Starts Regular Telecasts
1953 DZAQ-TV Channel 3, owned by Alto Broadcasting System (ABS), began regular television broadcasting.
At that time, only a few Filipino households had television sets. The first broadcasts were more than just a new kind of program — they brought a big change in how Filipinos watched and received news, information, and entertainment.
1961 DZBB-TV Channel 7 began television broadcasting and later became part of what we now know as GMA.
Long before ABS-CBN and GMA became the television giants we know today, one small screen opened the door to a new era.
A SMALL BEGINNING IN 1953 THAT BECAME PART OF Philippine Television History.
1953 DZAQ-TV CHANNEL 3 (ALTO BROADCASTING SYSTEM) BEGINS TELECASTS
1961 DZBB-TV CHANNEL 7 BEGINS TELEVISION BROADCASTING
FROM THE FIRST SIGNAL TO COUNTLESS STORIES. The legacy continues.

August 25, 2026
Pulong: Boying Remulla, bago ninyo ideklara na Davao City ang "epicenter" ng flood control corruption noong Duterte administration, baka puwedeng silipin muna ninyo ang mismong records ng DPWH.... DPWH XI furnished me a copy of its list of completed projects covering 2020–2022. I have my copy...
And speaking of baha, parang ilang linggo na yata ang baha sa ibat-ibang bahagi nga Luzon na hindi pa rin humuhupa, mukhang mas malubha pa yata ang mga yan kesa sa flood control epicenter na bansag niyo sa mahal kong Dabaw.
August 27, 2026
Castro: Patungkol sa kaniyang dokumento, nais po nating tanungin maganda po yan at makakatulong, ahhh... kaya lang... nong siya ay pinatawag sa ICI ay hindi po sya nag sumite... at ito ay kaniyang binalewala....
Iba po kasi yung dokumento lang at iba naman yung totoong nakikita, nararamdaman at nakakatulong sa problema ng baha...
Kaya nong sumobra ang baha sa Davao City, hindi naman nagpatumpiktumpik ang pangulo at Sec. Vince Dizon na tulungan na ang Davao City dahil malunha na rin po ang pagbaha.

'Yong tinatakot natin na 60 million liters ang kailangan sa isang araw, kung i-combine mo 'yong discharge ng all Zambales rivers into the ocean, every second is equivalent to that 60 million liters. That's only equivalent to 60,000 cubic meters.
Huwag matakot 'yong ating publiko doon sa Pax Silica. Just a small information kasi water is my forte, and 60 million liters is only 60,000 cubic meters... This is a chance in a lifetime. We must get this.

Kung hindi ito tumutulong maglikha ng Pilipinong industriya, hindi ito dapat ikatuwa kasi mauulit lamang ang mahabang kasaysayan na pupunta ang dayuhan dito makikinabang sa likas yaman natin, makikinabang sa paggawa natin, makikinabang sa strategic location natin sa rehiyon, pero wala naman pakinabang ang pambansang ekonomiya.

Leaves (Reimagined) - Official Lyrics 🍃❤️‍🩹
https://sptfy.com/leavesreimagined... more

By the car I'm with my suitcase
I'm desperate to escape from this place
Numb inside, I'm desensitized
Was forgiving you a mistake?
But must we endure this?
Does love require the sacrifice?
Will all still be alright in time?
I can think of all the times
You told me not to touch the light
I never thought that you would be the one
And in the end, can you tell me if
It was worth the try, so I can decide
Leaves will soon grow from the bareness of trees
And all will be alright in time
From waves overgrown come the calmest of seas
And all will be alright in time
Oh you never really love someone until you learn to forgive
Try as hard as I might
To flee the shadows of the night
It haunts me and it makes me feel blue
And in the end, everything we have makes it worth the fight
So I will hold on for as long
As leaves will soon grow from the bareness of trees
And all will be alright in time
From waves overgrown come the calmest of seas
And all will be alright in time
Oh you never really love someone until you learn to forgive
I never thought that I would see the day
That I'd decide if I should leave or stay
But in the end what makes it worth the fights
That no matter what happens we try to make it right
We grew up and learned
That trusting will hurt
I guess we survive by expecting the worst
May we all receive the love we're so selflessly willing to give
Convince me again, that
Leaves will soon grow from the bareness of trees
And all will be alright in time
From waves overgrown come the calmest of seas
And all will be alright in time
Wounds of the past will eventually heal
And all will be alright in time
'Cause all of this comes with a love that is real
I said all will be alright in time
I said all will be alright in time
I said all will be alright in time
All will be alright in time
Oh, you never really love someone until
You learn to forgive
You learn to forgive
Learn to forgive

“Naiiyak Na Lang Ako Kapag Naaalala Ko Kung Gaano Kabuti si Lord sa Buhay Ko.”

Minsan tahimik ka na lang…

Tapos bigla mong maaalala kung saan ka nanggaling.

Yung mga panahong akala mo hindi ka makakalampas.

Yung mga panahong wala ka nang maisip na solusyon.

Yung mga panahong maraming bagay ang nawala sa’yo.

Pero kahit hindi mo nakita kung paano,

dinala ka ni Lord hanggang dito.

May mga panalangin kang akala mo hindi Niya narinig,

pero ngayon nakikita mong may dahilan pala kung bakit kailangan mong maghintay.

May mga pintuang isinara Niya na dati ay ipinagpipilitan mong buksan,

pero ngayon naiintindihan mo

2026-08-28 14:36:38

pero ngayon naiintindihan mong pinoprotektahan ka pala Niya.

May mga pagkakataong nadapa ka,

pero hindi ka Niya pinabayaan.

May mga kasalanang pinatawad ka Niya.

May mga panahong mahina ka,

pero binigyan ka Niya ng panibagong lakas.

Kaya minsan,

naiiyak ka na lang.

Hindi dahil malungkot ka,

kundi dahil napagtanto mong:

“Lord, ang buti Mo sa akin.”

Hindi dahil perfect ang buhay mo.

Hindi dahil wala ka nang problema.

Kundi dahil sa lahat ng pinagdaanan mo,

hindi ka Niya iniwan.

Sabi sa Awit 103:2:

2026-08-28 14:36:41

Sabi sa Awit 103:2:

“Purihin ang Panginoon, O aking kaluluwa, at huwag mong kalilimutan ang lahat niyang kabutihan.”

Kaya huwag mong kalimutan.

Alalahanin mo kung ilang beses kang tinulungan ni Lord.

Kung ilang beses ka Niyang iniligtas.

Kung ilang beses ka Niyang binigyan ng panibagong pagkakataon.

At kung minsan naiiyak ka habang inaalala ang lahat,

iyak ka lang.

Hayaan mong maging luha ng pasasalamat.

At sabihin mo:

“Lord, hindi ko man kayang suklian ang lahat ng kabutihan Mo, buong puso kong sasabihin: Salamat. Ang buti Mo sa akin.”

Kapag binalikan mo ang nakaraan at nakita mong hindi ka pinabayaan ng Diyos, mas madali mong haharapin ang bukas nang may pagtitiwala.

2,549 90 93

theroyalhistorian It is with great sadness that the Norwegian Royal House has announced the death of His Majesty King Harald V of Norway, aged 89.

The King has died in Oslo at 6:35 a.m. local time after being hospitalized since mid-August due to fluid retention caused by cortisone treatment for hemolytic anemia.

Queen Sonja, Crown Prince Haakon, Crown Princess Mette-Marit, Princess Ingrid Alexandra, and His Majesty's 94-year-old sister, Princess Astrid, gathered at Oslo University Hospital yesterday as The King's health deteriorated to an "extremely serious" condition.

His Majesty reigned as King of Norway for over 35 years and was Europe's oldest reigning monarch and Head of State. He was the first Norwegian-born monarch to inherit the throne since King Olav IV in 1380.

Upon acceding to the throne, His Majesty assumed the motto of his father and grandfather before him: "All for Norway."

Our heartfelt prayers are with His Majesty The King, the Norwegian Royal Family, and the people of Norway.

I appreciate that people take video highlights of our performances during shows. I love seeing your reactions, your favorite moments, and the songs that meant something to you.
But uploading full performances — or almost the entire concert — is different.
When you buy a concert ticket, you're buying the experience of watching the show. You are not buying the right to record the whole thing and upload it to your own YouTube page or social media pages.

MA'ALI THE ELEPHANT, MASISILAYAN NA SA NATIONAL MUSEUM

Manila Mayor Isko Moreno, nag-share sa Facebook ng ilang photos matapos pasinayaan ang preserved body ng yumaong elepante na si Ma'ali. Pormal na isinagawa ang opening ng exhibit kahapon, August 27, sa National Museum.

Ang elepanteng si Ma'ali ay ibinigay noong 1981 sa Pilipinas mula sa Sri Lanka, at nalagi ang naturang elepante sa Manila Zoo.

On August 26, a netizen in Huaibei, Anhui, China, filmed and posted on Douyin, the mainland Chinese version of TikTok, chaotic scenes at a supermarket, where unruly citizens swarmed and scrambled at a counter for discounted rice. The situation was highly disorderly, with shoppers grabbing handfuls of rice with their bare hands and stuffing it into their bags. Some even climbed onto the pile of rice to grab more. The post was later removed by CCP censors.

MAESTRO SA CALINOG, ILOILO, NAGPA-CATERING PARA SA IYA MGA ESTUDYANTE MATAPOS ANG ILA PERIODIC EXAM

A teacher from Calinog National Comprehensive High School was praised online after treating his Grade 9 Blueberry students to a catered meal following their periodic examination.

Mr. Jessie Comprendio prepared the meal as a simple gesture of appreciation for his students' hard work.

The thoughtful act drew praise online, with one commenter saying teachers who go beyond the classroom and make students feel "seen, valued, and supported" leave a lasting impact.

"More teachers like this, please. The world needs more educators who teach not only with knowledge, but with genuine love and passion," one netizen added.

Death of Harald V

From Wikipedia, the free encyclopedia

(Redirected from Death of Harald V of Norway)

This article documents a current event and may change rapidly. Please update outdated or incomplete information with citations to reliable sources. *(August 2026)* *(Learn how and when to remove this message)*

Harald V, King of Norway since 1991, died on 28 August 2026 aged 89 at 06:35 CEST from natural causes. He was immediately succeeded by his son Haakon.[1]

Death of Harald V

Date	28 August 2026
Time	06:35 (CEST)
Location	Rikshospitalet, Oslo, Norway

Background [edit]

Harald experienced several periods of ill health following the start of the twenty-first century. He was diagnosed with bladder cancer in 2003, and in 2005 he underwent heart surgery. In 2020, he underwent heart surgery again to replace a heart valve.[2]

He had a leg operation in January 2022.[3] Harald was hospitalised in August with a fever and again in December for an infection, and was admitted once more in May 2023 shortly before Constitution Day. Harald tested positive for coronavirus in March 2022 and again in October 2023.[4] In January 2024, the royal palace announced that he was on sick leave due to a respiratory infection.[5]

🚨 Preocupación en Noruega por la salud del rey Harald V.

El monarca, de 89 años, permanece hospitalizado desde el 17 de agosto y su estado de salud se ha deteriorado hasta ser calificado como “extremadamente grave” por el Palacio Real. 🏥

Ante la situación, la reina Sonja, el príncipe heredero Haakon y su esposa Mette-Marit cancelaron toda su agenda. El primer ministro Jonas Gahr Store también suspendió un viaje a Alemania.

Harald V padece anemia hemolítica y recibe tratamiento por una infección bacteriana en la sangre. 🙏💙

THE SHORTEST-REIGNING POPES IN HISTORY

Not every pope had the opportunity to lead the Church for years—or even months. Some pontificates were cut short by death, illness, political turmoil, or the extraordinary circumstances surrounding the papacy in the early centuries of the Church.

Pope-elect Stephen, elected in March 752, died only a few days after his election, before receiving episcopal consecration. Because he died before his consecration, he was omitted from official list of popes. The practice of the time treated episcopal consecration as necessary for the election to take effect fully as the papacy.

This created a famous numbering problem. The next pope named Stephen is called Stephen II in the official Vatican numbering, while some historical sources number him Stephen III, because they count the first Stephen as a pope. Today, the first Stephen is often referred to as Pope-elect Stephen to distinguish him from the officially numbered popes.

The early medieval papacy was particularly turbulent. Popes could face political interference, military conflict, exile, imprisonment, assassination, and sudden illness. Some pontificates ended almost as soon as they began.

Among the shortest-reigning officially numbered popes was Pope Damasus II, whose pontificate lasted only 23 days in 1048. He died at Palestrina shortly after leaving Rome, traditionally reported to have died from malaria, although the precise cause of his death is uncertain.

These brief pontificates remind us that the history of the papacy is also a history of extraordinary circumstances. Whether a pope served for decades or only briefly, the office carried the responsibility of shepherding the Church as the Successor of St. Peter.

Swipe through to discover the shortest-reigning popes in history and the circumstances surrounding their brief pontificates.

BEST WISHES, TRICIA AND STEPHEN! 💍🤍

Tricia Robredo, daughter of Naga Mayor Leni Robredo, and her partner Stephen, have tied the knot in an intimate city hall elopement in Boston, Massachusetts.

The photographer revealed the couple's elopement through a photo series documenting their engagement and, a mere 12 days later, their spontaneous city hall wedding.

Although Tricia and Stephen got engaged in Cambridge, Massachusetts, in November 2024, Tricia didn't share the news publicly until 2025.

The couple is expected to celebrate their wedding with family and friends in the Philippines, according to the photographer's post. (Photos courtesy of Dominique Holliday)

Dolly Parton recorded what she intended to be her final song, “My Place in History,” years ago. But it won’t be heard until 2046, on what would have been her 100th birthday.

The song is sealed inside a time capsule at Dollywood, along with Parton’s memories and wishes for the future.

This visual from the floods in Rasuwa, Nepal is absolutely horrific. The scale of the destruction looks unreal, almost like a scene from a disaster movie.The entire Himalayan belt needs to seriously work on better early warning systems for such flash floods. Prayers for everyone affected. 🙏

DDS VLOGGER, ARESTADO DAHIL SA PAGTUTULAK!

Inaresto ang DDS vlogger na si Joselito Peruelo, na mas kilala online bilang si **Julia Peruelo TV**, kasama ang kanyang partner na si Christian Tolentino matapos magkasa ng isang drug buy-bust operation ang mga awtoridad sa Purok Magtiayon, Brgy. 10, Bacolod City nitong Martes, August 25.

Ayon sa Philippine Drug Enforcement Agency-Negros Island Region (PDEA-NIR), itinuturing ang dalawang suspek bilang mga notorious illegal drug pushers.

Nasabat mula sa kanila ang 13 sachet ng hinihinalang shabu na tumitimbang ng 50 gramo. Tinatayang nagkakahalaga ang droga ng P340,000, at nakuha rin sa kanilang pag-iingat ang isang improvised tooter.

Mariin namang itinanggi ng badidang na DDS ang mga akusasyon laban sa kanya at sa kanyang kinakasama.

Makikita sa isang video na sumisigaw si Joselito

Comment as John Kendrick L 2026-08-28 07:06:48

Makikita sa isang video na sumisigaw si Joselito sa harap ng local media na K5 News FM Bacolod upang ipagtanggol ang kanilang sarili. Giit niya, kailanman ay hindi sila nasangkot sa pagbebenta ng ilegal na droga. Puno ng emosyong sinabi ng bading na hindi nila nararapat danasin ang nasabing pag-aresto dahil inosente umano sila.

Maaalalang ang mga kagayang DDS ni Joselito ay tuwang-tuwa sa War on Drugs ng matandang karton na si Rodrigo Duterte. Madalas na palusot ng mga kagaya niya, mas okay nang madamay ang mga inosente kaysa naman dumami ang adik sa paligid. Tinatawag din nilang “bangag” si Pangulong **Bongbong Marcos**. Sa huli, sila rin pala ang gumagawa ng mga bagay na “ayaw” nila at ikinukutya nila sa iba.

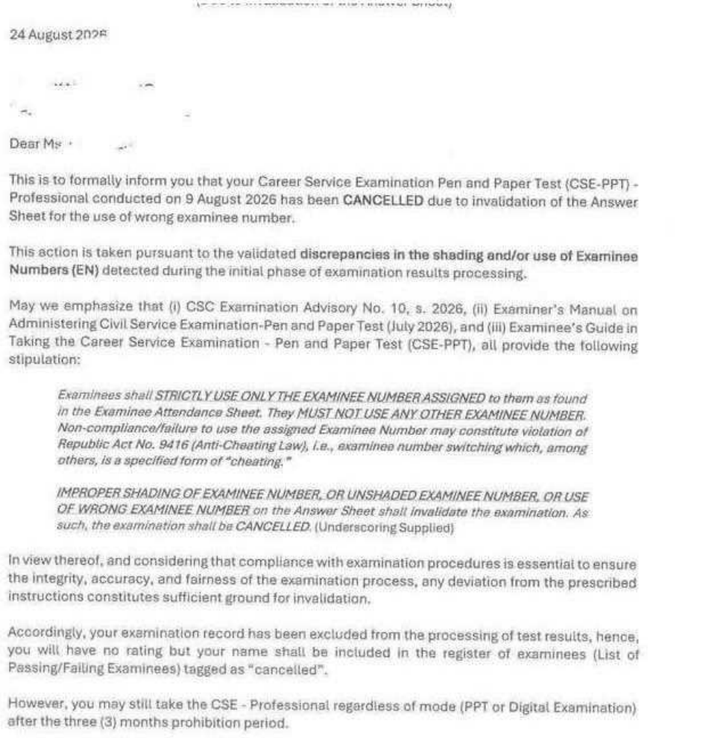
Napakasayang talaga, ng dahil lang sa examinee number 🥺.Ito yung lagi kong sinasabi, gumawa pa ako ng YouTube video tungkol dito para lang ipaalala sa lahat. Imagine yung puyat at pagod sa pag rereview plus your 500 pesos, tapos hindi manlang nabigyan ng chance na ma check yung answers mo🥺. But anyway, wala na tayong magagawa. Better luck next time nalang 🙏



24 August 2026

Dear Ms [redacted]

This is to formally inform you that your Career Service Examination Pen and Paper Test (CSE-PPT) - Professional conducted on 9 August 2026 has been **CANCELLED** due to invalidation of the Answer Sheet for the use of wrong examinee number.

This action is taken pursuant to the validated **discrepancies in the shading and/or use of Examinee Numbers (EN)** detected during the initial phase of examination results processing.

May we emphasize that (i) CSC Examination Advisory No. 10, s. 2026, (ii) Examiner's Manual on Administering Civil Service Examination-Pen and Paper Test (July 2026), and (iii) Examinee's Guide in Taking the Career Service Examination - Pen and Paper Test (CSE-PPT), all provide the following stipulation:

> *Examinees shall STRICTLY USE ONLY THE EXAMINEE NUMBER ASSIGNED to them as found in the Examinee Attendance Sheet. They MUST NOT USE ANY OTHER EXAMINEE NUMBER. Non-compliance/failure to use the assigned Examinee Number may constitute violation of Republic Act No. 9416 (Anti-Cheating Law), i.e., examinee number switching which, among others, is a specified form of "cheating."*
>
> *IMPROPER SHADING OF EXAMINEE NUMBER, OR UNSHADED EXAMINEE NUMBER, OR USE OF WRONG EXAMINEE NUMBER on the Answer Sheet shall invalidate the examination. As such, the examination shall be CANCELLED.* (Underscoring Supplied)

In view thereof, and considering that compliance with examination procedures is essential to ensure the integrity, accuracy, and fairness of the examination process, any deviation from the prescribed instructions constitutes sufficient ground for invalidation.

Accordingly, your examination record has been excluded from the processing of test results, hence, you will have no rating but your name shall be included in the register of examinees (List of Passing/Failing Examinees) tagged as "cancelled".

However, you may still take the CSE - Professional regardless of mode (PPT or Digital Examination) after the three (3) months prohibition period.

Sa kulungan ang bagsak ng isang lalaki matapos mabisto ang ginagawa niyang pamboboso umano sa mga babaeng katrabaho niya gamit ang spy camera sa banyo ng kanilang staff house sa Malate, Maynila. Ang suspek, nakilala dahil nai-video rin niya ang sarili nang ilagay ang spy cam.

10,000 DRONES ANG NAGKUWENTO NG BUHAY NI HESUS SA LANGIT NG TEXAS!

Noong Holy Week 2026, naging entablado ng isa sa pinakakahanga-hangang pampublikong pagpapakita ng Ebanghelyo ang kalangitan sa Manvel, Texas.

Pinangunahan ng The Church on MastersRoad, kasama ang mga ministro at libu-libong boluntaryo mula sa iba't ibang simbahan, ang isang multi-night drone show na gumamit ng libu-libong synchronized drones upang ilarawan ang mahahalagang pangyayari sa buhay ni Hesukristo.

Mula sa humigit-kumulang 5,000 drones sa unang gabi, lumaki ang palabas hanggang sa halos 10,000 ilaw na sabay-sabay na gumuhit sa kalangitan.

Ipinakita sa himpapawid ang mga makapangyarihang eksena ng Ebanghelyo, kabilang ang:

- ✝️ Pagpapasan ni Kristo ng Krus
- 🙏 Ang Pagpapako sa Krus
- ⚰️ Ang Paglilibing kay Hesus
- 🌅 Ang Muling Pagkabuhay (Resurrection)

Ayon sa mga organizer, ang layunin ng palabas ay hindi upang itampok ang isang partikular na simbahan, kundi upang ituro ang mga tao kay Hesus at sa tunay na kahulugan ng Pasko ng Pagkabuhay.

Dahil sa napakalaking saklaw ng proyekto, nagtala rin ito ng ilang Guinness World Records, kabilang ang halos 10,000 drones sa iisang pormasyon at mahigit 66,000 drone launches sa loob lamang ng isang linggo.

Isang makabagong paraan ng pagpapahayag ng pananampalataya na nagbigay-liwanag sa kalangitan at sa puso ng libu-libong nakasaksi.

Freedom of religion cuts both ways, and this piece argues that gets lost in the debate.

The 1987 Constitution protects the free exercise of religion, but the Supreme Court has also recognized government's authority to regulate conduct in public spaces for peace, order, and general welfare, meaning a passenger's right to practice their faith does not override another passenger's right not to be a captive audience.

Nasawi ang dalawang magkapatid na bata na may edad 7 at 11 taon matapos masunog ang kanilang bahay sa Brgy. Barcenaga, Naujan, Oriental Mindoro bandang 10:30 ng gabi ng Huwebes, Agosto 27, 2026.

Sugatan naman ang kanilang lolo na nakaligtas matapos makatalon sa bintana.

Yakap pa ng magkapatid ang kanilang aso ng matagpuan sa kanilang kuwarto.

Nagtatrabaho sa ibang bansa ang nanay ng magkapatid habang ang kanilang ama ay pumanaw na halos dalawang taon na ang nakalipas matapos makuryente bilang lineman sa electric cooperative.

Nakaligtas naman ang apat na pinsan ng mga biktima.

Binisita rin Mayor Henry Teves ang mga biktima. Aniya, sasagutin nila ang lahat ng gastusin sa punerarya para sa burol at libing ng magkapatid na nasawi. | via Dennis Datu, ABS-CBN News

'WHEN DOLLY PARTON ASKS, YOU SAY YES'

Canadian singer-songwriter Michael Bublé joins the growing list of artists who paid tribute to acclaimed country music icon Dolly Parton, who passed away on Wednesday.

Bublé posted a letter sent to him by Parton, where the latter asked him to duet for a Christmas song.

"Everyone seems to have their own Dolly story. She was a generational talent. If there's one person in this business I could choose to emulate, it would be her. Humble, generous, clever, kind and insanely funny," Bublé added.

Dolly once wrote me a letter asking if I'd listen to a song she'd written and consider singing it with her. It was so sweet, gracious and unbelievably humble. The truth is, I didn't even listen before I said yes. When Dolly Parton asks, you say yes.

Hi Michael,
First of all, let me say that I think you are an incredibly talented man and seem to be a great guy as well. I know you have a lot of fans in my circle, as well as worldwide so congratulations on that.

Hi Michael,
First of all, let me say that I think you are an incredibly talented man and seem to be a great guy as well. I know you have a lot of fans in my circle, as well as worldwide so congratulations on that.
I don't know if it would be of any interest to you to sing a duet with me on a song I wrote called "A Cuddle Up, Cozy Down Christmas" for a new Christmas CD that's coming out this year. When I wrote this, I kept hearing your voice with me...dreaming, maybe? I don't know if you can contractually do this or even if there would be an interest on your part, but I had to try.
If there is an interest, Kent Wells (my producer) can get you all of the necessary tracks so you can do it at your own convenience and in your own studio. I'd like to use our track and my vocal will be basically the same, unless you want to change some things around, take some solo spots and I'll work around you...however you want to do that.
Like everything else we do in this business, we need an answer yesterday and have it done by tomorrow. (LOL!) Seriously, though, I'll wait to hear from you. Just know that I will understand if you can't or don't want to do it and know that I will still love you just the same. Keep doing the great work you're doing.
With musical love for you,
philstar

IN PRAYER AND SOLIDARITY WITH NEPAL
AUGUST 27, 2026 | UNIVERSITY OF SAN AGUSTIN
As we celebrate the Feast of Saint Monica today and prepare to honor Saint Augustine tomorrow, the University of San Agustin stands in prayer and solidarity with our brothers and sisters in Nepal affected by this devastating tragedy.
We pray for eternal rest for those who lost their lives, comfort for grieving families, strength for those suffering, and protection for those still in danger. May God guide the rescuers and all those extending help and hope.
Through the intercession of Saint Monica and Saint Augustine, may we remain united in prayer, compassion, and hope, living out our Augustinian values of Unitas, Caritas, and Veritas.
Saint Monica, pray for us.
Saint Augustine, pray for us.
We invite the entire Augustinian community to pause and offer a prayer for the people of Nepal.
May God bring peace, strength, healing, and hope to all those affected.
WITH NEPAL IN OUR HEARTS, WE REMAIN UNITED IN PRAYER.

To my firstborn child,
Hi anak,
Maraming "first" sa buhay ko ang nangyari dahil sa'yo.
Unang puyat days bilang Ina, unang kaba kapag may sakit ka, unang saya sa bawat milestone, at unang beses kong naisip na kaya kong gawin ang lahat para sa isang tao.
Ikaw ang nagturo sa akin kung paano maging nanay.
Kaya kahit dumating pa ang panahon na malaki ka na at kaya mo na ang sarili mo, tandaan mo–
You will always be the one who made me a mother.

Gabay sa ating bukas ang 7.2 trilyong piso na pambansang budget para sa taong 2027.Narito ang berso ng ating pondo, upang maintindihan ng bawat Pilipino:Ang budget ng bayan, patuloy ang akyat,Mula sa limang trilyon, ngayon ay lalong sapat.Narito ang tala ng ating pondong hawak,Sa nagdaang mga taon na ating tinahak:2023: 5.268 trilyong piso ang unang subok,2024: 5.768 trilyon, pag-unlad ay umuusok,2025: 6.326 trilyon, tuloy ang pagsisikap,2026: 6.793 trilyon, patungo sa pangarap,2027: 7.2 trilyong piso ang bagong hinaharap.Hiling ng mga ahensya, 11.69 trilyon ang sumat,Ngunit ibinaba sa pito, upang maging sapat.Hindi pwedeng ubusin ang hindi pa natin kita,Iwas sa sobrang utang, sa bulsa ay mas benta.Narito ang laman, dapat nating mabatid:May ayuda sa mahirap na satin ay kapatid.May bayad sa interes ng utang na nakaraan,At may pondo sa plano para sa kaunlaran.Ang buhay ng bansa sa budget nakasalalay,Kaya bawat Pilipino, dapat na sumubaybay.Ang pag-unlad ay hindi lang trabaho ng pinuno,Kundi kilos ng bayan na tapat at buo.Upang walang turuan kapag may nagkulang,At walang multong lumilitaw at namimili ng tatakutin.
